Reset network button

- Once the device has been successfully added, you will be able to find the device in the "My home" list.

Product specifications

Product name	PIR
Product model	TP001-ZA
Battery specifications	CR2450
Detection distance	7 meters
Detection angle	170 degrees
Operating temperature	-10°C - 45°C
Operating humidity	10%-90% RH (no condensation)
Wireless connection	ZigBee

Items Not Under Warranty

1. Unauthorized repairs, misuse, collisions, negligence, abuse, exposure of the product to moisture or water, accidents, alterations, improper use of accessories, tearing or alteration of stickers or anti-counterfeiting marks;
2. The validity period of the warranty has passed.
3. Damage caused by force majeure;
4. Damage or malfunction caused by problems other than the design, technology, manufacturing, quality of the product.

Packing List

- PIRx 1
- Reset needle x 1
- Battery x 1
- Instruction manual x 1

Please read the instruction manual carefully before using the product

PIR

Product instruction manual

Product description

The human motion sensor uses infrared sensing to detect the movement of people or animals in the environment, and works in conjunction with other devices to design and implement smart application scenarios.
